

Get the care you need anytime, anywhere with CVS Virtual Care®

For everyday illnesses, chronic conditions, mental health support and more, a virtual visit helps getting the care you need more convenient. As part of your Aetna® plan, CVS Virtual Care® makes it easier for you to connect with a trusted, in-network provider on your schedule.

CVS Virtual Care is here for:

24/7 urgent care

Virtually connect more quickly and easily with a licensed provider for minor illnesses and injuries.

Mental health services

Talk with a therapist about your anxiety or stress. Or schedule time with a psychiatric mental health nurse practitioner (PMHNP) for diagnosis, treatment and medication management.

Primary care services

Book a new patient appointment within days, and see the same provider for each visit. You can also opt in to receive a no-cost blood pressure and heart rate monitor.

Get coordination of **in-person care** when needed at nearby in-network providers. Plus, your virtual visit records can be automatically shared with your other providers.

“My provider was very helpful and took the time to review my history and address my health concerns.”
